Premchand's Kazaki and Other Marvellous Tales

May 07 2021 ` His is a voice that
comes from where the action
is...? Dhanpat Rai, famously
known as Munshi Premchand,
was an ordinary man living an
ordinary life in extraordinary
times. His intimate experience
of the lives of common people
gave him insights that created
a vast and vibrant world in his
vivid stories, making him one
of the most important
chroniclers of the 20th century.
His vision homes in straight to
the extraordinary heart of his
everyday characters as they go

about their daily struggles, proving an inspiration to generations of readers. From a game of gulli-danda to the classic tale of an imaginative young boy's love for his grandmother that transforms a pair of household tongs into a battle hero, Premchand's compelling stories continue to hold readers spellbound. His granddaughter Sara Rai brings a personal perspective to this book with family recollections and lovingly done translations. Premchand's great-granddaughter Lara Chandni pays tribute to her illustrious ancestor with an eye-catching cover and poster design created especially for this collector's edition.

The Plague Upon Us Jul 21 2022 'In times like these, truth is perhaps the only justice we can have, the only vengeance we can wreak.' Blood drips from the pellet-stricken eyes of young Kashmiri men as Oubaid watches insurgency and violence rip through the streets of his homeland. A voice in his head tells him he knows who brought this plague upon them.

But acknowledging it would mean that he must relive the horrors that have been inflicted on those he loves... Yet the voice will not leave Oubaid alone, and as he reluctantly confronts his past, there emerge four echoes of a story, narrated by four childhood friends - a youth caught in conflict, the daughter of a social climber, the son of a moneyed landlord and a militant. As their tales diverge and coalesce, they unravel a truth that is not always the sum of its parts - one that reveals the full tragedy of a people buffeted by circumstance and desperately seeking salvation. A taut, searing reflection of our times, *The Plague upon Us* announces the arrival of an arresting new voice in contemporary fiction. *Aa Maratheyum Marannu Marannu Njan* Nov 13 2021 The powerful memory of a former love rules Radhika's inner world as she builds a small-time practice in Law, and attempts normalcy in a marriage she neither wanted nor resisted. Raped at age ten,

raped again as a young collegiate, she is abandoned twice: first by her father and later by Christy who loved her, but takes her through a wedding ceremony only to leave her later the same day. When Christy returns sixteen years later, shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colours that paint this picture of physical and emotional violence that Radhika endures.

WINNER OF THE JCB PRIZE FOR LITERATURE 2020. 'A novel of epic dimensions ... easily among the most accomplished fictional works in Malayalam.' K.

SATCHIDANANDAN Vavachan is a Pulayan who gets the opportunity to play a policeman with an immense moustache in a musical drama. The character appears in only two scenes and has no dialogue. However, Vavachan's performance, and his moustache, terrify the mostly upper-caste audience, reviving in them memories of

characters of Dalit power, such as Ravanan. Afterwards, Vavachan, whose people were traditionally banned from growing facial hair, refuses to shave off his moustache. Endless tales invent and reinvent the legend of his magic moustache in which birds roost, which allows its owner to appear simultaneously in different places and disappear in an instant, which grows as high as the sky and as thick as rain clouds -- and turn Vavachan into Moustache, a figure of mythic proportions. Set in Kuttanad, a below-sea-level farming region on the south-west coast of Kerala, the novel is as much a story of this land as it is of Vavachan and its other inhabitants. As they navigate the intricate waterscape, stories unfold in which ecology, power dynamics and politics become key themes. Originally published in Malayalam as Meesha, S. Hareesh's Moustache is a contemporary classic mixing magic, myth and metaphor into a tale of far-

reaching resonance.

The Legends of Khasak Jul 09 2021 A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as

everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

Collector Bro May 27 2020

*Collector Bro: The quixotic 'thallals'*of a civil servant* (*Thallal - exaggerated

bragging in colloquial Malayalam)This is a true story. An untold one that played out in the district of Kozhikode when a young IAS officer took charge as the District Collector in 2015. Over the next two years, he led the district and transformed the very concept of public administration with the use of social media, public consultation, usage of technology, volunteerism and public participation in governance. The two year tenure of 'Collector Bro' in Kozhikode transformed the landscape and narrative of district administration and communication with the citizens forever. Within a couple of months, 'Collector Kozhikode' Facebook page became a trendsetter in Kerala, and the most followed district administration page in India. It still is. With initiatives like Compassionate Kozhikode, Operation Sulaimani, Savari Giri Giri, Kozhipedia, Freedom Café, Yo Appooppa and Tere Mere Beach Mein, IAS officer Prasanth Nair, who was the District Collector of Kozhikode

at that time, ushered in a new language of governance that endeavoured to bridge the gap between the district administration and citizens through the optimal employment of social media. The District Collector descended from the colonial ivory towers and mingled as one amongst the common man, totally dismantling the hierarchical stereotypes that the society was used to. This book traces the story of how exactly this happened and how and why the public responded so overwhelmingly to such an initiative. It also chronicles how these experiences transformed the young officer also - from a hesitant public speaker to a crowd-puller, from an introvert to a seemingly extrovert energetic leader. For the first time, the emotional roller-coaster of events that reshaped the attitude and language of engagement by District administration is narrated with all the inside-stories. Straight from the horse's mouth. The author however takes pains not to

take centre-stage in the book and manages that somewhat with wit and self-deprecating humour. This book has got nothing to do with government; but it is all about governance, life and compassion. At one level it is a collection of case-studies, the most readable and engrossing ones, narrated with fun and illustrations. At another level it is a chronicle of a personal journey of a compassionate administrator. This is not a typical arrogant bureaucratic 'I did this' book, but an 'I went through this' book. Not a high-horsed motivational 'you can do it' book, but a book that makes you think and prioritise what you want to do in life. As Dr. Shashi Tharoor says in the foreword, a must read for all civil servants, civil-service aspirants, students of public administration and all citizens who dream for a better tomorrow.

The Newtonian Prophecy Sep 18 2019 John Raymond, a renowned mathematician at the Newtonian Research Academy (NRA), is summoned

to solve a symbolic code underlying a large terrorist plot to assassinate a set of world leaders. Instead, he soon finds himself trapped in a game, larger than what appears to be. During the 17th Century, long before he published his works on Calculus, a young Isaac Newton buried a secret that threatened the existence of modern civilization, possibly even his own. An ancient community, believed to have been destroyed centuries ago, rises again in the 21st century to unearth Newton's secret hidden in a complex Calculus puzzle laid out by Newton himself. Graham Roebuck, the Director of the NRA, discovers the source to the Calculus puzzle in one of Isaac Newton's personal diaries purchased by his grandfather at the Sotheby's auction of Newton's works in 1936. A powerful game of deception unfolds, revealing a dangerous conspiracy that challenges God as the Supreme Creator... "A brilliantly researched theological thriller that merges

historical and religious facts into a fictional narrative." "It is a long read, but the uniqueness of the plot induces mystery right through to the epilogue." "Thoroughly enjoyed all attempts to decode the symbols and come up with a solution." "It is always dangerous and controversial to write about real personalities, but the Author's research is intense and evident." "Assassinations, Symbols, Mathematics and religious revelations. This plot is a clear winner."

Budhini Dec 02 2020 On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mehan's is the tale of an uprooted life, told here through the contemporary lens of Rupi Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes

Budhini with vigour, authority and panache, conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely individualistic novelist herself, Sarah Joseph's *Budhini* powerfully invokes the wider bio-politics of our relentless modernization and the dangers of being indifferent to ecological realities.

My Story Aug 10 2021 First published in Malayalam in 1973, My Story, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

Pathummayude adu Oct 24 2022 Novel based on social themes.

Indulekha Aug 30 2020 Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and

'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will

also find it useful.

Pratibha Ray makes a determined effort for a portrayal of the epic character and brings to the surface the broader and deeper aspects of Draupadi's mind that lay submerged in the majestic sweep of the grand Mahabharata. The novel won her the Bharatiya Jnanpith's prestigious ninth Moortidevi Award in 1993.

He has enshrined in them every kind of experience from the pangs of hunger and sex to the rapture of mystic vision. Its range includes stark realistic pictures of the material world as well as the realm of fantasy haunted by ghosts and spirits. Basheer has written on love and hate, on politicians and

Goat Days Jan 23 2020 Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series

of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.
