**No-Churn Ice Cream** Jan 05 2023 Discover how to make homemade ice cream and other desserts! In every country you'll find people eating ice cream on street corners, in markets, and in fancy restaurants. But the number of people who make it at home is much smaller. The reason? Making this sweet treat yourself is kind of a pain. Ice cream machines can be expensive, bulky and hard to store, or cheap and inefficient. But what if you could make your own ice cream at home without all of the fuss, for a fraction of the cost of buying it, and without any special equipment? No-Churn Ice Cream is a mouthwatering collection of shortcuts and classic culinary techniques that help you achieve delicious, artisanal results. All you need to make your quick and easy no-churn ice cream are the following simple tools: - A freezer - A whisk or electric mixer - A can opener - A bowl and a freezeable container, such as a loaf pan - A sweet tooth! Inside you'll find recipes for all the basic flavors, plus more complex and exciting flavors such as Pineapple-Peppercorn and Sweet Potato Marshmallow Swirl. Treat yourself with a decadent Stracciatella gelato or Bananas Foster sorbet, or cool off with some Lavender-Almond sherbet. Your flavor variations are limited only by your imagination. Why not add some bacon to that batch of chocolate-caramel ice cream? Leslie Bilderback, author of Mug Cakes, is here to show you how.

*The Ice-Cream Makers* Aug 27 2019 In this “moving story of how sacrifices accumulate in the wake of passions left unfulfilled” (Publishers Weekly)—perfect for fans of Fredrik Backman and Lisa Genova—a poet must decide if he should put his family’s or his own needs first when he returns to Italy help run the family business he left behind years ago. As the heir to a proud Northern Italian ice-cream dynasty, Giovanni Talamini’s family is none too happy when he decides to break with tradition and travel the world as a poet. So when Giovanni receives an unexpected call from his brother, he is faced with a difficult decision: return home to serve in his family’s interests or continue on his own path in life once and for all? In a heartwarming tale that weaves history with lore and poetry with delicious recipes, *The Ice-Cream Makers* paints a century-long, multigenerational portrait of a family wrestling with their identity and how to ensure their legacy. *How to Make the Best Ice Creams and Amazing Frozen Desserts* Sep 08 2020 Have you ever wanted to make rich, creamy ice cream right from your own home? Well now you can with these amazing ice cream recipes! Making ice cream at home is so much more satisfying than buying the boring stuff at the store and the results are far tastier. This book will outline the basic methods of making ice creams and show you how to make some cool new flavors that you would never find on a grocery shelf (Chai tea? Real Mint? Blood Orange Pops? These would never be in a store!). After using these recipes a few times, you will be an ice cream and frozen dessert pro! After reading some of the labels on prepackaged ice cream, I realized, (not surprisingly), that store bought ice creams can be full of preservatives and artificial flavors. Why does a frozen dessert need preservatives?! There has to be a better way! I decided to write this book to share great ice cream recipes that everyone can make at home without any unnecessary additives. Making your own ice cream at home will also shock your taste buds- ice cream made with real mint leaves is SO much more delicious and refreshing. All of the recipes in this book are made without artificial flavors and you and your guests will be able to taste the difference- get ready for people to ask for seconds and even thirds! Many of the recipes in this book will require an ice cream maker which can easily be found and purchased online or in any cooking store. They range from inexpensive to very pricey so pick the one that is best for you. I personally use one with a bowl which gets frozen ahead of time in the freezer and is then taken out right when I am ready to churn my ice cream. Look over the directions about how to use your machine before starting your ice cream. If you don't have an ice cream machine, don't worry. This book still has many great frozen desserts for you- try the Frozen Yogurt Berry Pops, a healthy frozen snack that is sure to please! Because all of the recipes in this book need to be frozen, the 'Active Time', or time it will take you to actively be working on these recipes, is what is included at the top of each page. Each dessert will need time to freeze so keep that in mind. But that's enough about the minute detail. Get your heavy cream and sugar out and let's make some ice cream!
