She suffers from memories and nightmares of her friends' Helen Shivers and Barry Cox brutal murders by the vengeful fisherman, Ben Willis. Julie's roommate, Karla, receives a phone call from a local radio station and wins a vacation for four to the Bahamas (in the movie, the radio station asks the question "what is the capital of Brazil", the girls answer "Rio de Janeiro," and get it right-despite the fact the answer is "Brasilia"). Julie invites her boyfriend, Ray, who declines, but later changes his mind. That evening, Ray and his co-worker, Dave, drive to Boston to surprise Julie, but stop due to a body in the middle of the road. When Ray discovers the body is a mannequin, Ben appears and kills Dave with his hook. Ben then chases Ray in a truck, but Ray escapes and falls down a hill. The next morning, Julie, Karla, Karla's boyfriend, Tyrell, and their friend, Will, depart for the trip. The group arrives at the hotel in Tower Bay and checks in. That evening at the hotel's bar, Julie is singing karaoke when the words "I STILL KNOW WHAT YOU DID LAST SUMMER" roll onto the screen. Terrified, she runs back to her room while the others get into the hot tub. Julie notices that her toothbrush is missing and searches her room before finding Darick, the dockhand, dead in the closet. She finds her friends and they return to find no sign of Darick's body and the hotel manager refuses to believe her story. Meanwhile, Ray survived his injuries and heads out to rescue Julie. The next day, the group finds the hotel staff murdered and the two-way radio, their only way of contact, destroyed. Isolated, the group goes to the room of Estes, the boat hand porter, and find that he has been using voodoo against them. Estes appears, explaining he was trying to protect them after realizing their answer to the radio station's question was incorrect. He tells them Ben and his wife, Sarah, had two children: a son and a daughter. Ben murdered Sarah when he found out about an affair. Estes goes missing and Will volunteers to find him, while Ray takes a boat to the island. Julie, Karla and Tyrell return to the hotel and find Nancy, the bartender, hiding in the kitchen.

The Last Summer (of You and Me) Feb 23 2022 From the New York Times-bestselling author of The Sisterhood of the Traveling Pants Ann Brashares comes her first adult novel In the town of Waterby on Fire Island, the rhythms and rituals of summer are sacrosanct: the ceremonial arrivals and departures by ferry; yacht club dinners with terrible food and breathtaking views; the virtual decree against shoes; and the generational parade of sandy, sun-bleached kids, running, swimming, squealing, and coming of age on the beach. Set against this vivid backdrop, The Last Summer (of You and Me) is the enchanting, heartrending story of a beach-community friendship triangle and summertime romance among three young adults for whom summer and this place have meant everything. Sisters Riley and Alice, now in their twenties, have been returning to their parents' modest beach house every summer for their entire lives. Petite, tenacious Riley is a tomboy and a lifeguard, always ready

for a midnight swim, a gale-force sail, or a barefoot sprint down the beach. Beautiful Alice is lithe, gentle, a reader and a thinker, and worshipful of her older sister. And every summer growing up, in the big house that overshadowed their humble one, there was Paul, a friend as important to both girls as the place itself, who has now finally returned to the island after three years away. But his return marks a season of tremendous change, and when a simmering attraction, a serious illness, and a deep secret all collide, the three friends are launched into an unfamiliar adult world, a world from which their summer haven can no longer protect them. Ann Brashares has won millions of fans with her blockbuster series, *The Sisterhood of the Traveling Pants*, in which she so powerfully captured the emotional complexities of female friendship and young love. With *The Last Summer (of You and Me)*, she moves on to introduce a new set of characters and adult relationships just as true, endearing, and unforgettable. With warmth, humor, and wisdom, Brashares makes us feel the excruciating joys and pangs of love—both platonic and romantic. She reminds us of the strength and sting of friendship, the great ache of loss, and the complicated weight of family loyalty. Thoughtful, lyrical, and tremendously moving, *The Last Summer (of You and Me)* is a deeply felt celebration of summer and nostalgia for youth.

But then it became clear that someone, somewhere knows about that awful night when she and six friends committed an unthinkable crime. And now that person is determined to make them pay. One by the one, the chain letter comes to each of them, demanding dangerous, impossible deeds. No one wants to believe that this nightmare is really happening, but then the accidents start. And the deaths. Finding the truth behind the stalker’s identity seems to be the only option, but even that might not be enough. The Caretaker has a prodigy who is even more frightening than the first, and this time he wants more than retribution. He’s out for blood.
