feels good inside his own skin. That is, when
he's in his own Brooklyn neighborhood. But now

he's going to be attending a fancy prep school in Manhattan, and black teenage boys don't exactly fit in there. So it's a surprise when he meets Ellie the first week of school. In one frozen moment their eyes lock, and after that they know they fit together--even though she's Jewish and he's black. Their worlds are so different, but to them that's not what matters. Too bad the rest of the world has to get in their way. Jacqueline Woodson's work has been called "moving and resonant" (Wall Street Journal) and "gorgeous" (Vanity Fair). *If You Come Softly* is a powerful story of interracial love that leaves readers wondering "why" and "if only . . ."

Zombie Tag May 29 2022 Wil is desperate for his older brother to come back from the dead. But the thing about zombies is . . . they don't exactly make the best siblings. Thirteen-year-old Wil Lowenstein copes with his brother's death by focusing on *Zombie Tag*, a mafia/capture the flag hybrid game where he and his friends fight off brain-eating zombies with their mothers' spatulas. What Wil doesn't tell anybody is that if he could bring his dead brother back as a zombie, he would in a heartbeat. But when Wil finds a way to summon all the dead within five miles, he's surprised to discover that his back-from-the-dead

brother is emotionless and distant. In her first novel for younger readers, Moskowitz offers a funny and heartfelt look at how one boy deals with change, loss, and the complicated relationship between brothers.

Marco Impossible Apr 27 2022 In *Marco Impossible* by Hannah Moskowitz, best friends Stephen and Marco attempt a go-for-broke heist to break into the high school prom and get Marco onstage to confess his love for (and hopefully steal the heart of) Benji, the adorable exchange student and bass player of the prom band. Of course, things don't always go according to plan, and every heist comes with its fair share of hijinks.

Last Night I Sang to the Monster Feb 11 2021 "Sáenz' poetic narrative will captivate readers from the first sentence to the last paragraph of this beautifully written novel. . . . It is also a celebration of life and a song of hope in celebration of family and friendship, one that will resonate loud and long with teens."—Kirkus Reviews "...There is never a question of either Sáenz's own extraordinary capacity for caring and compassion or the authenticity of the experiences he records in this heartfelt account of healing and hope."—Booklist "Offering insight into [an adolescent's] addiction, dysfunction and mental illness,

particularly in the wake of traumatic events, Sáenz's artful rendition of the healing process will not soon be forgotten."—Publishers Weekly "Sáenz weaves together [18-year-old] Zach's past, present, and changing disposition toward his future with stylistic grace and emotional insight. This is a powerful and edifying look into both a tortured psyche and the methods by which it can be healed."—School Library Journal Zach is eighteen. He is bright and articulate. He's also an alcoholic and in rehab instead of high school, but he doesn't remember how he got there. He's not sure he wants to remember. Something bad must have happened. Something really, really bad. Remembering sucks and being alive—well, what's up with that? I have it in my head that when we're born, God writes things down on our hearts. See, on some people's hearts he writes Happy and on some people's hearts he writes Sad and on some people's hearts he writes Crazy and on some people's hearts he writes Genius and on some people's hearts he writes Angry and on some people's hearts he writes Winner and on some people's hearts he writes Loser. It's all like a game to him. Him. God. And it's all pretty much random. He takes out his pen and starts writing on our blank hearts. When it came to my turn, he wrote. I don't like God very much.

Apparently he doesn't like me very much either. Sad Benjamin Alire Sáenz is a prolific novelist, poet, and author of children's books. *Sammy and Juliana in Hollywood*, his first novel for young adults, was a finalist for the Los Angeles Times Book Prize and a Young Adult Library Services Association Top Ten Books for Young Adults pick in 2005.

Life Inside My Mind May 17 2021 "Who better to raise teens' awareness of mental illness

and health than the YA authors they admire?"
–Booklist (starred review) "[A] much-needed, enlightening book." –School Library Journal (starred review) Your favorite YA authors including Ellen Hopkins, Maureen Johnson, and more recount their own experiences with mental health in this raw, real, and powerful collection of essays that explores everything from ADD to PTSD. Have you ever felt like you just couldn't get out of bed? Not the occasional morning, but every day? Do you find yourself listening to a voice in your head that says "you're not good enough," "not good looking enough," "not thin enough," or "not smart enough"? Have you ever found yourself unable to do homework or pay attention in class unless everything is "just so" on your desk? Everyone has had days like that, but what if you have them every day? You're not alone. Millions of people are going through similar things. However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers. It's easier to have a broken bone—something tangible that can be "fixed"—than to have a mental illness, and easier to have a discussion about sex than it is to have one about mental health. *Life Inside My Mind* is an anthology of true-life events from writers of this generation, for this generation. These

essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more. The goals of this book range from providing a home to those who are feeling alone, awareness to those who are witnessing a friend or family member struggle, and to open the floodgates to conversation.

The Hand on the Wall Nov 30 2019 New York Times and USA Today bestseller! New York Times bestselling author Maureen Johnson delivers the witty and pulse-pounding conclusion to the *Truly Devious* series as Stevie Bell solves the mystery that has haunted Ellingham Academy for over 75 years. Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph . . . She knows who *Truly Devious* is. She's solved it. The greatest case of the century. At least, she thinks she has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—somehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles

there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators. Ellingham Academy is evacuated. Obviously, it's time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer. In the tantalizing finale to the Truly Devious trilogy, New York Times bestselling author Maureen Johnson expertly tangles her dual narrative threads and ignites an explosive end for all who've walked through Ellingham Academy. Praise for the Truly Devious series: "Readers, hang tight: there's one more round to come, and if the signs are right, it'll be to die for." —Publishers Weekly (starred review) "The Agatha Christie-like ecosystem pairs with lacerating contemporary wit, and alternating past and present scenes makes for a multilayered, modern detective story." —New York Times Book Review "Remember the first time reading Harry Potter and knowing it was special? There's that same sense of magic in the introduction of teen Sherlock-in-training Stevie Bell." —USA Today (four stars) "Be still, my Agatha-Christie-loving beating heart." —Bustle
