beginning, the Met has been unique, because unlike many European museums, the support for the sprawling New York City museum came from modern tycoons and philanthropists, instead of old families with wealth and land. Like the rest of the city, the museum grew quickly, as the millionaires of New York and other cities around the nation vied to see who could donate the most paintings or objects of art. Having one's work in the Met, or contributing to it, became something of a status symbol, a way to demonstrate prestige and importance. Having one's name on a gallery wall or a wing of the always expanding museum could cement a legacy. At the same time, the Met has always been a place that anyone could visit. Its very charter insisted that patrons be welcomed and educated by what they saw during their visits, a goal the museum has kept in focus for nearly 150 years. And while many European museums cater primarily to tourists, the Met remains something of a hometown treasure for New York City, focusing much of its attention on recognizing and balancing the city's cultural diversity with the needs of its patrons of all ages and socioeconomic backgrounds. *The Metropolitan Museum of Art: The History and Legacy of America's Largest Art Museum* chronicles the remarkable history of the museum and highlights some of its most important pieces. Along with pictures depicting important people, places, and events, you will learn about the Met like never before.

**MoMA Highlights** Nov 05 2020 This newly revised deluxe edition of *MoMA Highlights* celebrates the 90th anniversary of the Museum. *MoMA Highlights* presents a chronological overview of some of the most significant modern and contemporary artworks through superb high-resolution images and short texts by MoMA curators. *MoMA Highlights* interweaves works from each of the Museum's curatorial departments - painting and sculpture, drawings, prints and illustrated books, photography, architecture and design, film, and media and performance art - to provide a look at one

of the premiere art collections in the world. This anniversary book is almost 50% larger than the standard edition.

**Museum** May 23 2022 A celebration of the role of people in operating and sustaining the Metropolitan Museum of Art presents interviews with fifty-two people, from its security guards and cleaners to its philanthropist supporters and famous patrons.

**Hudson River School** Feb 20 2022 A breathtaking selection of works from the largest and finest collection of Hudson River paintings in the world Hudson River School paintings are among America's most admired and well-loved artworks. Such artists as Thomas Cole, Frederic Church, and Albert Bierstadt left a powerful legacy to American art, embodying in their epic works the reverence for nature and the national idealism that prevailed during the middle of the nineteenth century. This book features fifty-seven major Hudson River School paintings from the collection of the Wadsworth Atheneum Museum of Art, recognized as the most extensive and finest in the world. Gorgeously and amply illustrated, the book includes paintings by all the major figures of the Hudson River School. Each work is beautifully reproduced in full color and is accompanied by a concise description of its significance and historical background. The book also includes artists' biographies and a brief introduction to American nineteenth-century landscape painting and the Wadsworth Atheneum's unique role in collecting Hudson River pictures.

**New York's Underground Art Museum** Apr 22 2022 Initiated in 1985, the MTA Arts & Design collection of public art now encompasses more than 250 projects, creating a dynamic underground museum of contemporary art that spans the entire city and its immediate environs. Since the program was founded, a diverse group of artists—including Elizabeth Murray, Faith Ringgold, Eric Fischl, Romare Bearden, Acconci Studio, and many others—has created works in mosaic, terra-cotta,

bronze, and glass for the stations of the New York City Subways and Buses, Metro-North Railroad, Long Island Rail Road, and Bridges and Tunnels. An update of the classic *Along the Way*, this expanded edition features nearly 100 new works installed in stations since 2006, including Sol LeWitt's Whirls and twirls (MTA) at Columbus Circle, Doug and Mike Starn's See it split, see it change at South Ferry, and the James Carpenter/ Grimshaw/Arup Sky Reflector-Net at Fulton Center. The book illustrates how the program has taken to heart its original mandate: that the subways be "designed, constructed, and maintained with a view to the beauty of their appearance, as well as to their efficiency." MTA Arts & Design is committed to preserving and restoring the original ornament of the system and to commissioning new works that exemplify the principles of vibrant public art, relating directly to the places where they are located and to the community around them. The definitive guide to works commissioned by MTA Arts & Design, a reference for riders who have wondered about an artist or the meaning behind the art they've seen, as well as a memento for visitors, New York's Underground Art Museum provides 300 color illustrations and insightful descriptions sure to infuse any future trip or viewing with a fresh appreciation and understanding of this historic enterprise.

**Inside the Museum** Nov 24 2019 Discusses the organization and functioning of the museum as well as a wide variety of exhibits, and suggests ways to interact with works of art from the museum's collections

[The Metropolitan Museum of Art](#) Jun 24 2022 The book details the conception and history of the museum. Pictures of the drawings, paintings and sculpture that can be view upon visiting.

**Treasures from the Cleveland Museum of Art** Sep 15 2021 Featuring new, accessibly written scholarship by the curatorial staff, this book will be the definitive resource on this world-renowned

collection.

*Merchants and Masterpieces* Apr 29 2020 Beautifully written and newly revised to include the museum's most controversial era, this sparkling social history reveals the ideas and financial power behind the Metropolitan's dramatic 12-year history. Photos.

The Art Museum (Revised Edition) Dec 30 2022 Visit the world's most comprehensive and compelling museum in a book - from pre-historic times to the present, - over 1,600 artworks created with the expertise of 28 art world curators and historians. "Unprecedented, unique, and vast in scope... a visually spectacular survey of world art. Destined to delight, inspire, and educate, as well as to become an invaluable, classic art-reference resource, it is very highly recommended." —Library Journal Housing the finest art collection ever assembled, this revised, reformatted edition offers the museum experience without the boundaries of space and time, taking the reader on a tour around the world and through the ages. Its rooms and galleries display some 1,600 artworks, selected from the original collection, including paintings, sculpture, photographs, textiles, installations, performances, videos, prints, ceramics, manuscripts, metalwork, and jewel-work.

Philadelphia Museum of Art Mar 09 2021 This fully updated and beautifully redesigned handbook is the essential guide to the encyclopedic collections of the Philadelphia Museum of Art. Divided into four sections—Asia, Europe, the Americas, and Contemporary—the handbook features more than 500 masterpieces from the museum's world-renowned holdings, each handsomely illustrated in color and accompanied by a brief text written by the museum's curators. Each section integrates a wide variety of media, including paintings, works on paper, sculptures, decorative arts, costumes and textiles, arms and armor, and photography. Expanded entries provide in-depth information on some of the most historically significant and beloved objects, such as a 16th-century Indian temple hall,

Grace Kelly's wedding dress, and Marcel Duchamp's *Étant donnés*. Other passages discuss the contributions of several of the museum's most important donors, exploring the idea of the Philadelphia Museum of Art as "a collection of collections."

**The Collections of the Nelson-Atkins Museum of Art** Mar 29 2020

Bulletin of the Detroit Museum of Art Dec 26 2019

Two Centuries of Black American Art Sep 03 2020 "This book represents a major event in the art world. It is the first book to encompass the entire span and range of black art in America, from unknown artisans and journeymen painters of the 18th century to such internationally admired 19th-century artists as Edward M. Bannister, Edmonia Lewis, and Henry Ossawa Tanner, through the artists of the dynamic "Harlem Renaissance" of the 1920s, and up to Horace Pippin, Jacob Lawrence, and Romare Bearden ... and reproduces works, chronologically arranged, by all the 63 artists in the show, their paintings, sculptures, graphics, as well as crafts ranging from dolls to walking sticks" --

**The Metropolitan Museum of Art** Nov 29 2022 This monumental new book is the first to celebrate the greatest and most iconic paintings from the encyclopedic collections of The Metropolitan Museum of Art, New York, one of the largest, most important, and most beloved museums in the world. This impressive volume's broad sweep of material, all from a single museum, makes it at once a universal history of painting and the ideal introduction to the iconic masterworks of this world-renowned institution. More than 1,000 lavish color illustrations and details of 500 masterpiece paintings, created over 5,000 years in cultures across the globe, are presented chronologically from the dawn of civilization to the present. These works represent a grand tour of painting from ancient Egypt and classical antiquity and prized Byzantine and medieval altarpieces, to paintings from Asia, India, Africa and the Americas, and and the greatest European and North

American masters. The Metropolitan Museum of Art includes an introduction and illuminating texts about each artwork written specially for this volume by Kathryn Calley Galitz, whose experience as both curator and educator at the Met makes her uniquely qualified. European and American artists include Duccio, El Greco, Raphael, Titian, Botticelli, Bronzino, Caravaggio, Turner, Velázquez, Goya, Rubens, Rembrandt, Brueghel, Vermeer, David, Renior, Monet, Van Gogh, Gauguin, Cézanne, Degas, Sargent, Homer, Matisse, Picasso, Pollock, Jasper Johns, and Warhol. The artworks are arranged in rough chronological order, without regard to geography or culture, offering a visual timeline of the history of painting, from the earliest examples on pottery jars made over five thousand years ago to canvases on which the paint has barely dried. Freed from the constraints imposed by the physical layout of the Museum, the paintings resonate anew; and this chronological framework reveals unexpected visual affinities among the works. For those wishing to experience the unparalleled breadth and depth of the Met's collection, or study masterpieces of painting from throughout history, this important volume is sure to become a classic cherished by art lovers around the world.

*Goya in the Metropolitan Museum of Art* Jan 19 2022 Goya is the most original artist of his generation & the best known Spanish painter of all time. selection of Roman works and their modern histories / Joan R. Mertens.

*Selections from the Virginia Museum of Fine Arts* Aug 14 2021 "Selections from the Virginia Museum of Fine Arts features the 100 objects and essays original to the 1997 edition plus 50 entries detailing major acquisitions added to the permanent collection since that time...This reader- and visitor-friendly edition represents objects of the finest quality. The mixture of signature pieces and those that deserve to be better known and understood illustrates the breadth of VMFA's collection and captures the flavor and character of the Museum." "Each object receives a two-page spread with full-color reproduction, a brief description and history, and sidebars with additional, at-a-glance information. Included also are a new Foreword by VMFA director Alex Nyerges and an updated Introduction highlighting the expansion and renovations of the building and grounds."--Publisher description.

*American Drawings and Watercolors in the Metropolitan Museum of Art* Feb 08 2021 "The Museum's collection illuminates all aspects of Sargent's career. The drawings and watercolors in particular reflect his activity outside the portrait studio: his sojourns in Spain, Morocco and elsewhere in North Africa, and in the Middle East; his enduring fascination with Venice; his holidays in the Italian lake district and the Alps; his tours of North America, including Florida and the Rocky Mountains; his visit as an official war artist to the western front in 1918; and his work as a muralist at the Boston Public Library, the Museum of Fine Arts, Boston, and Harvard University's Widener Library."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

*The Metropolitan Museum of Art Guide* Jul 25 2022 Illustrates and describes nine hundred works of art representing each of the Museum's eighteen departments

*I (Heart) Art* Feb 26 2020 A charming, chunky book filled with more than 150 works we love from The Metropolitan Museum of Art. The book is divided into different themes for readers to explore, including people, animals, transportation, and places. Accompanying text provides readers with insight into each piece without distracting from the beauty of the work. From paintings to collages to sculptures to photographs, *I (Heart) Art* helps readers discover the best that the museum has to offer. Among the artists included are Jennifer Bartlett, Romare Bearden, Rosa Bonheur, Canaletto, Mary Cassatt, Marc Chagall, Jean-Honoré Fragonard, Hokusai, Winslow Homer, Edmonia Lewis, Claude Monet, Georgia O’Keeffe, Alfred Stieglitz, and Andy Warhol.

**Dutch Paintings in the Metropolitan Museum of Art** Nov 17 2021 Presents a catalog that surveys the Dutch paintings found in the Metropolitan Museum of Art.

*Vogue and the Metropolitan Museum of Art Costume Institute* Jul 13 2021 An updated and expanded edition, covering the past five years of the Met Costume Institute’s exhibitions and galas through the lens of *Vogue* The Metropolitan Museum of Art Costume Institute’s annual fashion exhibition is the most prestigious of its kind, featuring subjects that both reflect the zeitgeist and contribute to its creation. Each exhibition—from 2005’s Chanel to 2011’s Alexander McQueen: Savage Beauty and 2012’s Schiaparelli and Prada: Impossible Conversations—creates a provocative and engaging narrative drawing hundreds of thousands of visitors. This updated edition includes material from 2015’s China: Through the Looking Glass, 2018’s Heavenly Bodies: Fashion and the Catholic Imagination (the most visited exhibition in the museum’s history), and 2019’s Camp: Notes on Fashion. The show’s opening-night gala, produced in collaboration with *Vogue* magazine, is regularly referred to as the party of the year, and draws a glamorous A-list crowd, drawing an unrivaled mix of Hollywood fashion. This updated edition of *Vogue and the Metropolitan Museum of Art Costume*

Institute once again invites you into the stunning spectacle that comes when fashion and art meet at The Met.

**Michelangelo and the Pope's Ceiling** Aug 22 2019 Recounts Michelangelo's creation of his masterpiece, the ceiling of the Sistine Chapel, from his commission from Pope Julius II, through the artist's four years of work, to the final acclaim at the paintings' 1512 unveiling.

**Masterpieces of the Metropolitan Museum of Art** Apr 10 2021 Each reproduction is accompanied by a text that includes pertinent information about the work.

Master Drawings in the Los Angeles County Museum of Art Sep 27 2022 More than 100 masterworks from the collection, all in full color, each with a text about the artist and drawing as well as full documentation. 105 colour illustrations

**The Museum of Lost Art** Dec 06 2020 True tales of lost art, built around case studies of famous works, their creators, and stories of disappearance and recovery From the bestselling author of *The Art of Forgery* comes this dynamic narrative that tells the fascinating stories of artworks stolen, looted, or destroyed in war, accidentally demolished or discarded, lost at sea or in natural disasters, or attacked by iconoclasts or vandals; works that were intentionally temporal, knowingly destroyed by the artists themselves or their patrons, covered over with paint or plaster, or recycled for their materials. An exciting read that spans the centuries and the continents.

*A is for Art Museum* Oct 24 2019 Presents a different word and work of art involving that word for each letter of the alphabet and invites young readers to answer questions about each work of art.

*Islamic Art in the Metropolitan Museum of Art* May 31 2020

**Guide to the Metropolitan Museum of Art** Oct 28 2022 "When the Metropolitan Museum came into being in 1870, the founders stressed its role in giving popular instruction. Ever since then its

public has expressed interest in obtaining a general guidebook to all the multiple facets of its encyclopedic collections. But a museum is a living, constantly changing institution, and the preparation of such a guide presents many problems. The scope and depth of the Museum's holdings are described with flexibility in mind, so that alterations to the building and changes in the collections can be readily accommodated in future editions of this Guide. The number of pages allocated to each department is restricted to multiples of eight pages; this will permit revisions in future editions. A guidebook, however, should not be a straitjacket. It is impossible to locate accurately all works at all times because paintings and objects are constantly being cleaned, restored, loaned to other museums, or rehung within the Metropolitan. In designing a guide that is easily portable and of interest to a large public, severe restrictions have had to be imposed. The text serves an introductory function and is not intended to give the kind of detailed information found in a catalogue or scholarly publication. Many other books published by the Museum are available to anyone wishing to follow his own special interests: a series of popular handbooks and comprehensive catalogues of various aspects of the collections are available in the Museum's bookshops; the Bulletin of The Metropolitan Museum of Art, a general interest magazine covering all phases of Museum activity, appears regularly throughout the year; and the Journal of The Metropolitan Museum of Art, a collection of scholarly monographs, is issued annually. An independent guide covers the collection at The Cloisters, our branch museum of medieval art at Fort Tryon Park"--Introduction.

**The Book as Art** Mar 21 2022 Artists' books have emerged over the last 25 years as the quintessential contemporary art form, addressing subjects as diverse as poetry and politics, incorporating a full spectrum of artistic media and bookmaking methods, and taking every

conceivable form. Female painters, sculptors, calligraphers, and printmakers, as well a growing community of hobbyists, have played a primary role in developing this new mode of artistic expression. *The Book as Art* presents more than 100 of the most engaging women's artist books created by major fine artists such as Meret Oppenheim, May Stevens, Kara Walker, and Renee Stout and distinguished book artists such as Susan King, Ruth Laxson, Claire Van Vliet, and Julie Chen. Culled from over 800 unique or limited-edition volumes held by the National Museum of Women in the Arts, these books explore the form as a container for ideas. Descriptions of the works are accompanied by colorful illustrations and reflections by their makers, along with essays by leading scholars and a lively introduction by the most famous book artist in our culture, best-selling author Audrey Niffenegger. The exquisitely crafted objects in the *The Book as Art* are sure to provoke unexpected and surprising conclusions about what constitutes a book. *The Book as Art* accompanies the exhibition of the same name at the Museum of Women in the Arts in Washington, D.C., beginning in October 2006.

**The Passionate Collector** Sep 22 2019 "Few living persons have served the Metropolitan Museum of Art-indeed, the entire world of art and art museums-longer, or with more distinction, than Roy Neuberger. A man of taste, passion, persistence, and generosity, he has shared much of his great private collection with the public, and for generations has supported activities that bring people to

museums, and motivate them to return again and again. Now, this giant of a man has recorded eighty years of his life-and the result is entertaining, illuminating, and, like the tireless gentleman himself, inspiring." -Philippe de Montebello, Director, The Metropolitan Museum of Art Equal to his passion for investing is Roy Neuberger's love for art-which he has collected and encouraged for eight decades. In *The Passionate Collector: Eighty Years in the World of Art*, you'll follow this fascinating financial figure and great patron of the arts from the streets of 1920s Paris to the museums of New York as he develops the eye of a connoisseur and begins to collect great contemporary art. Vivid detail puts you in the center of the action as Neuberger collects the brilliant artists of his time-Milton Avery, Jackson Pollock, Ben Shahn, Edward Hopper; works with legendary art dealers Paul Rosenberg, Betty Parsons, Sidney Janis, and Leo Castelli; and befriends avid collectors, including the incomparable Duncan Phillips. You'll follow Neuberger as he strives to further the cause of contemporary American artists by exhibiting, lending, and donating from his growing collection, and becoming an activist for the Metropolitan Museum of Art, the Museum of Modern Art, and the Whitney. You'll also see how the Neuberger Museum of Art was created at the urging of Governor Nelson Rockefeller, and how it continues to fascinate art enthusiasts today. Part personal memoir, part history of art, *The Passionate Collector* offers a unique view of twentieth-century American art from a man who has lived it.
